An entrance to be proud of

PVC Door Panels

With a range of unique designs and the very best in door security, you can have an entrance to be proud of without compromising on security. Furthermore our panels are manufactured using a high technology technique that bonds two PVCu skins to a variety of core materials and ensures the integrity of the panel for heat and moisture.

Most doors featured are available as a solid panel, or with plain or decorative glass designs, so you can choose the best style to suit your home.

Backing Glass Options

We offer a range of backing glass options, for a style that best suits your home.

PVC Door Security

Depending on the degree of security required we offer a choice of core materials. Our Type A Expanded Polystyrene is BS476 classified, totally recyclable, non toxic and inert. It contains no CFC's or HFC's and contains a fire retardant additive tested to BS4735, formulated to restrict the extent of the burn.

These core materials, combined with the highest standard of handles, hinges & locking ensure your home looks great but is also a visible intruder deterrent!

Handles

Create a great first impression with our stylish selection of door furniture. Our handles are functional and easy to use, allowing for quick and easy inside and outside access.

Smooth and sleek with a classic design, our handles come in a range of colour options to best match your existing windows and doors, or to just suit your taste! Our Hoppe range of handles are so robust that we offer a comprehensive 10 year guarantee on both the surface finish and mechanical operation.

Hinges

Available in a variety of colours, our matching range of Mila Prosecure hinges offer a understated modern appearance - but perhaps more importantly durability and security built in.

Tested to over 200,00 cycles and grade 5 extreme corrosion resistance, like our other hardware, our hinge is built to last. This coupled with PAS24 certification as standard along with being Police approved 'Secured by Design' you know your in safe hands.

Accessories

Our wide range of door furniture is available in a choice of white, black, gold and chrome colour options and will beautifully complement and personalise your chosen door.

Make it Personal

Using advanced technology known as direct digital glass printing (DDG) we can take your image and reproduce it directly onto your chosen door style. This unique process is weather and fade resistant and fully guaranteed.
